A detailed statement regarding the fees and expenses incurred by Jaffe during the Supplemental Period is attached hereto as **Exhibit 1**.

As set forth in the Final Fee Application, the estate professionals proposed that no later than eight days before they submitted proposed orders approving their final fee applications, such professionals would file supplemental fee statements with respect to any additional fees or expenses incurred subsequent to the period covered in the final fee applications. The estate professionals proposed to serve such supplemental fee statements on the notice parties set forth in the Compensation Order (as that term is defined in the Final Fee Application) with such notice providing that the notice parties shall have a period of seven days to file any objections to the supplemental fee statements. The Final Fee Application contemplates that if no objections are timely filed, then the fees and expenses set forth in the supplemental fee statements will, subject to Court approval, likewise be deemed allowed on a final basis.

No hearing will be set before the Court with respect to this supplemental fee statement unless a written objection is timely filed with the Clerk of the Bankruptcy Court. If you have any objection, you have seven days from the date of service of this supplemental fee statement in which to file such written objection. If an objection is filed, a subsequent notice will be sent to you of the date, time and location of the hearing on the objection.

ANY OBJECTION MUST BE TIMELY FILED WITH:
